

I HAVE DONE A LOT OF WORK IN THE MEDIA IN RECENT YEARS AND I WOULD LOVE TO DO MORE

The following lists show some of the media I have worked with in recent years. In some instances they have interviewed me regarding my books, doing business, publishing, presenting or my personal story. I have had the pleasure of working with many of these organisations over an extended period of time, supplying regular articles, doing on air segments as an entrepreneurial commentator or working jointly on a range of projects.
