35 YEARS - ENTREPRENEUR
GLOBAL SMALL BUSINESS

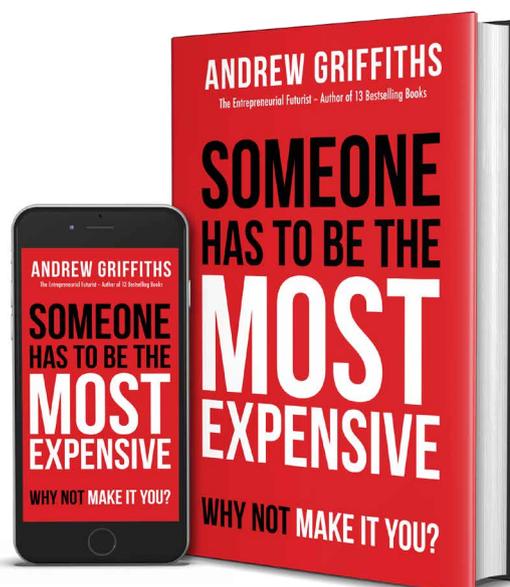

FROM HUMBLE BEGINNINGS GROWING UP AS AN ORPHAN TO INNOVATIVE ENTREPRENEUR, GLOBAL SPEAKER AND INTERNATIONAL BESTSELLING AUTHOR, ANDREW GRIFFITHS IS A POWERFUL INSPIRATION TO BUSINESS OWNERS AND ENTREPRENEURS AROUND THE WORLD. HIS PASSION IS FUTURE PROOFING AND HE BRINGS HIS OWN UNIQUE AND ENTERTAINING STYLE TO THIS VERY BIG AND VERY RELEVANT TOPIC.

Andrew Griffiths is best described as an entrepreneurial futurist - in other words he specialises in future proofing businesses across virtually every industry and in every corner of the planet. With 13 bestselling books sold in 65 countries (and he has just released his 14th book) and a client base that includes organisations such as the European Union, CBS, Hewlett Packard, Hertz and Telstra, to mention just a few of the 500 organisations he has worked with, he is clearly sought after to provide advice and wisdom for the smallest of businesses to the largest of organisations.

Andrew is able to share his observations, experiences and research from around to world to identify the exact steps any organisation needs to take to become future proof. And he delivers his advice in a down to earth, simple and often hilarious way. Andrew has been an entrepreneurial commentator for many years, sharing both his observations and his realisations through platforms including INC and CBS. He has created thousands of sharp, relevant and insightful articles, videos, podcast episodes and media interviews.

Andrew's advice is a combination of street smart wisdom, practical concepts and productive triggers, derived from the hard learned lessons with his own trial and error, as well as years of close observation and identification of the characteristics shared by both the really successful and the really unsuccessful. Andrew started his business world at the age of 18 as a commercial diver, he taught bush survival skills in the outback of Western Australia, ran his own travel business, his own SCUBA school, an advertising business and most recently a marketing consultancy.

Described by many as the big man with the big heart, Andrew is on a mission to share the entrepreneurial rites of passage that he has learned to help others set themselves apart from the crowd and to stay relevant with their customers for a lifetime. In a world where simply keeping up is proving the greatest challenge, hearing about what is happening with both the big business world and the small business world, from someone with 35 years of entrepreneurial experience, is hugely beneficial.
